Essential Drops

Minimalist serum maximizing options. Serums are getting hyped and have been for years. Be it for the texture, the light sensoriality or for the active ingredients...

Instead of buying serum after serum, wouldn't it be easier to customise your favourite serum with boosters and concentrates? That's why we developed the **Essential Drops**. A minimalist formula with only five ingredients, 100% natural and providing versatility for both R&D and consumers.

The **Drop it! Kit** offers two boosters and a concentrate that boost your serum routine and enhance the **Essential Drops** as desired.

- **Radiance Booster:** Transforms your serum into a liquid highlighter
- **Blur Filter Booster:** Offers an instant blur anti-wrinkle effect
- **Nourishing Concentrate:** Adds richness and barrier protection
